

Wyndham Hill News

April 7, 2013

Your Wyndham Hill HOA board of directors is pleased to announce the launching of the official association website... www.hoawyndhamhill.com.

Our Objective. Develop a website to provide our members with association news, financial reports, budgets, meeting minutes, and useful information. We also wanted to promote our Wyndham Hill to potential buyers of new and existing homes.

Content. There is a wealth of information, including a password protected **HOA Members** page. You can download forms for registering or re-registering HOA membership, set up automatic dues payment, and ARC home modification review forms. The site also contains association governing documents including the bylaws and policy manual.

Log On. We encourage you to log on and preview our site www.hoawyndhamhill.com. The **HOA Members** page password is **membersonly**.

Comments & Suggestions. The association manager, Belfair Development, Inc., developed and manages the site. Your feedback is encouraged... on the website, click the **Contact** tab, fill in the blanks, and click **Send**.

By the Way... Two important things we would appreciate your doing:

1. **Resident Registration.** If you have not provided the association an up-to-date *Resident Registration* form, you are encouraged to do so. This information is vital to efficient operation of the HOA and will be very useful to our future *Neighborhood Watch* program.
 - a. On the **HOA Members** page, click the **Registration** button in the "New Members" box.
 - b. Print the form and email, fax, or mail to the association manager (address at the bottom of the form).
 - c. If you do not wish to be listed in the membership directory (available only to Wyndham Hill HOA members) you can make that choice at the bottom of the form.
2. **Automatic Dues Payment.** Your help is needed to contain association costs by setting up automatic dues payment through your bank or credit union.
 - a. On website open the **HOA Members** page, click the **Pay Dues** button then click the **Automatic Bank Pay** button.
 - b. Print and follow the instructions on the form.
